* Domestic Targeted Minorities include African-American, Native American, Hispanic American and Southeast Asian (Cambodian, Laotian, Vietnamese and Hmong). Non-Targeted include White, Other Asian, Native Hawaiians and Unknown.

** Totals are provided for three-year cohorts by fiscal year (i.e. 2017 = Summer 2016, Fall 2016 and Spring 2017).

+ Elapsed years to completion and completion rates are calculated as of October 1, 2017 and include total time in a doctoral program. This may include time spent on a master's degree if that degree was in the same program and/or elapsed time off for readmitted students.

++ N.R. = Not reported. Only populations of at least five students are included in this calculation.
